So Let's Get Started.....

NEW PLAYER REGISTRATION

New players must begin by creating a Hockey Canada Registry (HCR 3.0) Account to get your player's Hockey Canada ID (Identification Number). Go to the Spordle Hockey Canada 3.0 registry at:

<https://account.spordle.com/login>

1. **Create an account** as a parent or guardian using the email address that you frequently use. Each parent/guardian will **LINK** their player/players to the account.
2. Go to the **MEMBERS** tab.
3. Find and click on the **blue icon** that looks like a person with a **“+”** by the right of the head. To link your player/players to your account, you can search for them by name and birthdate. When you find their name, select **“link this member”** and write down their **Hockey Canada ID number**. You will need this number associated with each child year after year when you register. Take note of your player's exact name and spelling, with their assigned Hockey Canada ID to avoid issues with registering in Team Snap.
4. If you volunteer or coach with Fundy Female Hockey Association (***and we love our volunteers/coaches***), you can search your own name and link your qualifications to the account. All this information in one place!
5. If your player is **NEW to HOCKEY**, you enter **“NEW”** in the Hockey Canada ID field. If you need assistance, please email theffharegistrar@gmail.com

6. You are now ready to register for the upcoming season in Team Snap.

Be sure to use the same player name, spelling and birthdate as you used in the Hockey Canada Registry and enter your player's Hockey Canada ID number. You will be asked to sign a photo release and parental code of conduct waiver. One parent from each family will be responsible to complete the Hockey Canada "Respect in Sport" e-learning program as ice times start up. Please consider volunteering with your player's team or team events.

As above, the registration cost is by age level considering the group's ice use, jersey(s), and development activities. Additional development opportunities may be offered at a separate cost if a player is interested.

PAYMENTS may be made by:
