

## Fundy Female Jersey Tracking Form

Division/Team: \_\_\_\_\_ Team Manager: \_\_\_\_\_

Hockey jerseys are the property of the Fundy Female. Name bars must be sewn on (no glue or tape)

Jerseys will be returned as a set by the manager or team designate at the specified time.

At the jersey return night, invoices of \$150.00 per jersey will be sent to all families via Teamsnap who have not turned in their jersey to their manager. This is the cost to replace a jersey.

Players cannot participate in on ice events next season until all jerseys are returned or the fee is paid.
